

54cm

A technical line drawing of a three-arm chandelier. The drawing shows a central vertical stem with a chain of links. At the top is a decorative cap. The stem has a horizontal arm extending from the center, which branches into three curved arms. Each curved arm ends in a spherical light fixture. The drawing includes dimension lines and arrows indicating measurements: a vertical dimension of 54cm from the top cap to the horizontal arm, a vertical dimension of 22cm from the horizontal arm to the bottom of the light fixtures, a horizontal dimension of $\Phi 15\text{cm}$ for the width of one light fixture, and a horizontal dimension of $\Phi 54\text{cm}$ for the total width of the chandelier.
